

MK-Indoor

PLUG-IN FOR HOME, OFFICE AND SCHOOL

3 Lure System - Attracts And Kills Mosquitoes

Designed for indoor spaces, MK-Indoor protects individual rooms in your home, office or school. MK-Indoor uses a unique 3 lure system to attract, capture and kill mosquitoes quietly and efficiently.

OPTIONAL

How It Works

Simply plug MK-Indoor into any standard electrical outlet, and the unique combination of lures attract mosquitoes to the trap, where they are vacuumed inside, and die of dehydration. A removeable holding tray allows for quick and easy cleaning.

UV-LEDs

The UV-LEDs have a life expectancy of approximately 40,000 hours.
